Jessica Carpenter

On 4/14 Luis Martinez and I attended the Cook County College Teachers Union Spring 2012 Communications workshop in Westmont, IL. There was useful information presented about how to make communication work for the union. I'd recommend taking advantage of further offers from that group to attend other training opportunities in the future.

Strategic Planning Committee:

Elizabeth McNulty

The Achieving the Dream Coaches, Linda Watkins and Luzelma Canales, sat in on the April 12 meeting while the committee continued to refine the goals of the new strategic plan. Everyone in the college should have received an email with the draft of the plan attached and a schedule of feedback sessions. These sessions will be in the Community Room on April 25, 5:30 to 6:30, April 26 from 2:30 to 3:30, and April 27 from 9:00 to 10:00 a.m.

It is important that everyone read the Strategic Plan draft as it will effect college activities for the next five years. Goals 1, 2, and 6 are of particular interest to faculty. The committee needs feedback from the faculty. If you are unable to attend a feedback session, you can email

your comments to Phil Garber or to committee members Sumitra Duggirala, Elizabeth McNulty, David Reich and Linda Hefferin.

Student Success: AtD:

Linda Hefferin & Sarah Dye

The AtD Lead Co-Chairs are preparing the annual report which has to be submitted to MDC and AtD at the end of the month. The coaches' visit last week went well with strong faculty and staff participation at the Celebrating Student Success meeting on Thursday afternoon.
