- a summary statement of your interest and qualifications to be considered by senate.

Student Disciplinary Committee (3 members requested)

1. Terri Birch, UA2, LVPA/Art: As an instructor for eighteen years, I believe I can provide a valuable contribution to the student disciplinary process. My focus is on being even-tempered, fair, and efficient. My strengths include having a broad understanding of this generation of students and the challenges facing them. I have experience in multi-culturalism and teaching students from widely disparate backgrounds. I see being a part of the Student Disciplinary Committee as a process in making a distinction between a need for remediation and a need to protect the overall learning environment for our students. It is my hope to serve Elgin Community College and to learn the many facets of being a part of this community. Thank you for your time and consideration
2. Sharon Baker, FT, CABS/Psychology; In addition to FT teaching at ECC for the past 10 years, I previously worked in the Student Services Dept. for 6yrs developing retention and student success strategies.
3. Tim Anderson, CABS/Communications, FT: I have served on this committee for multiple years, and have often been one of a few members that has remained consistent while other seats have changed. I feel that my knowledge of committee past practices and procedures (and even knowledge of past cases) has been extremely beneficial to provide context to the committee as a whole as we discussed recommendations for discipline. I would like to continue serving to continue in this capacity.
4. Ariel Larson, UA2, CABS/Communications: I'm a UA2 and I'd like to offer myself as a volunteer for: 1) Student Disciplinary Committee I am interested in this because I'd like to get more involved in the college. Also this is an area I'd like to learn more about. My service would benefit the committee because I have a "pro-student" outlook and my suggestions on courses of actions would center around "what is best for the student?" and "what is the best way for the student to learn from this?". I have been teaching at ECC since Fall 2013 and have had very few disciplinary issues with the students I've met. This serving opportunity would enable me to grow and widen my perspective on what is happening today. Thank you.

Economics FT Search (up to 5 members requested)

1. Leticia Starkov, FT, SBCT/Economics: I am interested in serving in the Search Committee for Economics Instructor. I have advocated for this position since the search for a full-time instructor was closed back in 2005. I have coordinated the last two or three cycles of program review for Economics and have documented the need of a

full-time instructor. If I am giving the opportunity to serve in this committee, I will use my experience teaching the discipline to contribute to the search in finding the best candidate for the position. Please let me know if you have any questions. I thank you in advance for your time,

2. Ranae Ziowski, FT, SBCT/Acct/Bus/Econ/Supply Chain: Instructional Coordinator
3. David Packard, FT, SBCT: I volunteer for the full time Econ faculty committee.

Music FT Search (Up to 5 members requested)

1. Shawn Maxwell, LVPA/Music, FT: I would appreciate the opportunity to serve specifically on the Full-Time Music Faculty Search. This search is critical in determining the future of the entire Music and Music Production offerings. Currently, I am one of the two full-time music faculty members and would be a content expert for the search. Additionally, I have also served on several recent searches. During this time I have observed the overall process of each search and feel that I can efficiently help to identify both interview questions and elements for the teaching demonstration that lead to finding a strong candidate. Lastly, in addition to the required training, I have participated in many multicultural/diversity workshops and seminars during my tenure at ECC and would be determined in finding a candidate that is not only multiculturally aware but is able to share that awareness with the education of our students. Thank you for your consideration.
2. Marc Beth, LVPA/Music, FT, Instructional Coordinator: I am the coordinator of the music department, and will be working closely with this hire. I am also the most senior member of the department.
3. Arturo Vazquez, Jr. FT/CABS/Psychology: The music faculty committee, since I have done before many times.
Thanks.

4. Larry Dieffenbach, UAF/LVPA/Music: I would be interested in serving on the music search committee for the new full time hire.
5. Dave Reich, FT/SBCT, Welding: I'm not sure what welding has to do with music but I'll throw my hat in the ring.
6. Kimberly Reed, UA2, CABS, Sociology: I am interested in participating in the search committee for new faculty in Music and the Humanities. As a Unit II Adjunct faculty staff member, I have 10 years of teaching experience at Elgin Community College. During my service at ECC I have attended many events and presentations that inform the culture of the college community. I believe that I could make a good choice for ECC. In terms of qualifications, I hold a doctorate in Sociology from the Graduate Center of the City University of New York. I Masters degrees in Library and Information Science from Dominican University, Sociology from The New School, and a Masters Certificate in Women's Studies (GC CUNY). I achieved my undergraduate BA in English Literature with a minor in History. I have a wide range of reading and experience in the Humanities. I received a National Endowment for the Humanities Summer grant in the last 10 years. I have studied the arts as part of my professional research. I love music, although I do not read or write notation.

Math FT Search (5-7 members requested stipulating a majority must be comprised of full-time math faculty; this search will hire 2 FT Math faculty)

1. Catherine Moushon, FT, HP/MSE/Math I am interested in serving on the Full Time Math Search Committee. I am a full time faculty member of the Math Department. I've had the diversity training three times, T & E training, served on other faculty and administration search committees, several tenure committees, and want to help serve my department and college and ultimately the students. The people we hire will be my colleagues and I am

excited about this opportunity for growth. January faculty hires have an aggressive time frame to make ECC Board deadlines and get folks ready to transition from one job to another over December. Please allow me to serve on this committee, thank you for your consideration.

2. Greg Wheaton, FT, HP/MSE/Math/Instructional Coordinator: As a coordinator of the Math Department, I've got a good pulse on our strengths, weaknesses, and current staffing needs. Regarding the latter, we need to find qualified applicants with statistics and/or mathematics education backgrounds. This will help create some balance within the department.
3. Michelle Kershner, FT/HP/MSE/Math: My interest and qualifications to be considered. I believe strongly in ECC's commitment to diversity. I am committed to conducting a fair and equitable search. I am hard working and diligent; I will spend sufficient time reviewing all qualified candidates. Those who serve on the search committee should be competent and credible. I not only have a pure mathematics background, I also have a background in Statistics and Education, which are two areas the department has need. I am organized and methodical. I will ensure the search procedures and practice are ethical and give due consideration to each candidate. Finally, the excellence of our faculty is critical to ECC's position as a leader college. I want to do my part to help my department, division, and college by hiring the best candidate for the position.
4. Susan McGrath, UA1, HP/MSE/Math: I would like to introduce my name as a candidate for the Full Time Math Faculty Search Committee. I am an Elgin Community College UA1 Adjunct Math Instructor, an active member of ECCFA and currently the 3rd VP and acting 2nd VP for ECCFA. I have completed the Diversity Training necessary. I strongly believe in facilitating Best Practice for Equity in hiring. Mathematics, is of particular interest to me and I would be honored to participate in the hiring process of two new Full-time Instructors for the department in which I teach.
5. Diane Flahaven, UA2, HP/MSE/Math: I am interested in serving on the Math Search Committee. I am a Math adjunct (UA2) and have taught math classes here for 14 years. I am able to teach both developmental and the college level. Over those 14 years I have taught quite a few of the math department courses. I did serve on the last Math Search Committee and I feel that an adjunct should serve on the committee.
6. Chalyce Deterding, FT/HP/MSE/Math: I would like to serve on this search committee because I feel I have a lot to add in ensuring we hire quality teachers. I have been on several previous searches, including chairing one a few years ago so I have experience in looking for quality candidates. However, I did not serve on the most recent search so am willing to take the load off my colleagues who served most recently. My work with SSI has strengthened my ability to see cultural competent candidates. I would like to be a voice on the committee to ensure that we hire great teachers who can add to the greatness of the math department and who also value the diversity of our students, staff, and faculty.
7. Kenneth Beynon, FT/HP/MSE/Math: I am instructional coordinator for the math department, so I feel very strongly about serving on the math faculty search.

Full Time Humanities Faculty Search Committee: (Up to 5 faculty requested to serve. Plan to begin mid September and finish in November.)

1. Kimberly Reed, UA2, CABS, Sociology: I am interested in participating in the search committee for new faculty in Music and the Humanities. As a Unit II Adjunct faculty staff member, I have 10 years of teaching experience at Elgin Community College. During my service at ECC I have attended many events and presentations that inform

the culture of the college community. I believe that I could make a good choice for ECC. In terms of qualifications, I hold a doctorate in Sociology from the Graduate Center of the City University of New York. I Masters degrees in Library and Information Science from Dominican University, Sociology from The New School, and a Masters Certificate in Women's Studies (GC CUNY). I achieved my undergraduate BA in English Literature with a minor in History. I have a wide range of reading and experience in the Humanities. I received a National Endowment for the Humanities Summer grant in the last 10 years. I have studied the arts as part of my professional research. I love music, although I do not read or write notation.

2. David Zacker, FT/LVPA/Humanities, Justification: The new hire will be in my department (Humanities). I am a content expert as the new member will teach exactly the same courses I currently teach, and I will be working closely with this new faculty member as the 4th fulltime member of our department.

Full Time ECC Police Officer (1 member)

1. Mary Arndt, FT/HP/MSE/Nursing I appreciate that an ECCFA member has been requested to be on this search committee. Being in one of the service professions myself qualifies me as an appropriate candidate to help assess the philosophy of the persons being interviewed. I would be proud to represent ECCFA in this endeavor.
