November 2019**

WHEREAS, one in seven Illinois residents is an immigrant, and the Chicago-Elgin-Naperville corridor has the seventh-largest undocumented population in the nation; and

WHEREAS, more than 35,000 Illinoisans, including ECC students, are DACA (Deferred Action for Childhood Arrivals) recipients and may be part of mixed-status families where one or more family members are at risk of deportation; and

WHEREAS, federal immigration law enforcement activities and raids near ECC’s campus and transportation routes, whether by surveillance, interview, demand for information, arrest, detention or other means, harmfully disrupt the learning environment to which all students, regardless of immigration status are entitled; and

RESOLVED, the Elgin Community College Faculty Association (ECCFA), Support Staff of Elgin Community College Association (SSECCA) and the Organization of Latin American Studies (OLAS), per Immigration & Customs Enforcement's "sensitive locations" policy, advocate for ECC to refuse to give federal immigration law enforcement officials physical access to campus for the purpose of investigating and/or detaining students, faculty, campus workers, and/or community members; and be it further

RESOLVED, ECCFA, SSECCA, and OLAS will advocate that ECC refuse to voluntarily release academic records, employment records, or membership lists of organizations to any law enforcement agencies targeting individuals solely on the basis of their immigration status, religion, racial or ethnic background, sex or gender, sexual identify or political affiliation; and be it further

RESOLVED, ECCFA, SSECCA, and OLAS will advocate that the campus community organize against deportations, detentions, and the criminalization of Black, Brown, and immigrant communities; and be it further

RESOLVED, ECCFA, SSECCA, and OLAS will advocate that ECC publicly declare its campus a safe site for students, faculty, campus workers, and/or community members to seek help, assistance, and information if faced with fear or anxiety of immigration enforcement efforts.

POR CUANTO, las actividades federales de aplicación de la ley de inmigración y las redadas cerca del campus de ECC y las rutas de transporte, ya sea por vigilancia, entrevista, demanda de información, arresto, detención u otros medios, interrumpen perjudicialmente el entorno de aprendizaje al que tienen derecho todos los estudiantes, independientemente de su estatus migratorio; y
