Nominations to IFT Positions:

Dear Local Leader,

The 2016-19 term for the Illinois Federation of Teachers constituency councils, special committees, and task forces concluded on October 18, 2019. In February, President Dan Montgomery will be making recommendations to the IFT Executive Board for membership for the 2019-22 term. The constituency councils, special committees, and task forces are crucial to the development of the IFT's strategic goals and direction. These bodies help guide the board in accomplishing our mission and make recommendations to the IFT Executive Board and the IFT Convention. IFT policy limits the size of each constituency council to reflect one member from each bargaining unit within a constituency council with a minimum of ten (10) and a maximum of forty (40) members on a council. The maximum number of members on the Higher Education constituency council will be 60, divided into the following sub-groups: Community Colleges (25), Graduate Employees (GEO) (10) and Universities (25). Other committees are generally limited to approximately twenty (20) participants.

The IFT requests that you nominate local members to serve as potential members on the constituency councils and special committees or task forces. We are interested in your recommendation of any leader or member in your local who can make a strong contribution to the valuable work that will guide the IFT on issues critically important to the membership. Please consider yourself for recommendation. (It is possible that the number of people recommended may exceed the number of people who can serve.)

Those who serve on the constituency councils, special committees, and task forces find the experience rewarding and worthwhile. Members are reimbursed for receipted expenses and meet at least twice a year.

To recommend yourself or a member from your local, please complete the following form(s):

- [IFT Constituency Council Nomination Form](#)
- [IFT Special Committee or Task Force Nomination Form](#)

Mail or fax completed forms to the IFT Westmont office as per the instructions on each form.

In advance, we thank you for your attention to this important matter. President Montgomery, Executive Vice President Stacy Davis Gates, First Vice President Mike Day and I look forward to seeing you at IFT functions. Further, we thank you for your continued dedication and service to the membership of the IFT. **You make the union strong.**

In unity, Jane A. Russell, Secretary-Treasurer
